

WOULD YOU LIKE TO HELP? DONATIONS ARE NEEDED!

MULLUMBIMBY DISTRICT NEIGHBOURHOOD CENTRE

The **Mullumbimby & District Neighbourhood Centre** is an incredible community resource in our region which has been inundated with requests from people who have lost income and are struggling to make ends meet. They are seeking food and essential item donations for their community pantry, in particular food that is highly nutritious, gluten-free products and foods that meet other dietary requirements. Monetary donations and grocery gift cards are also appreciated.

If you are a food producer with the ability to donate items please reach out to their manager Julie Williams on **0414 841 816**, or manager@mdnc.org.au.

BYRON COMMUNITY CENTRE

Byron Community Centre frontline workers expect the number of people in need of help to increase dramatically as they already see people who have never accessed their services asking for help. Furthermore, they expect the need for this vital community service to continue for the next 6 to 9 months. They are concerned that they will run out of goods and won't be able to help the most vulnerable community members when they need their support most. That's why they are asking for financial contributions from the community to help them help locals in need.

A regular donation of only \$30 per month provides a struggling family with one meal per day.

Homeless Showers require new underwear and socks (both male and female, all sizes), individual shampoos and conditioners, soaps and razors. Fresh produce and food staples for Byron Community Pantry food outreach service are also needed.

Visit the [Byron Community Centre website](#) to learn more.

BYRON YOUTH SERVICE

While the YAC and Mullumbimby Cottage buildings are temporarily closed owing to COVID-19, **Byron Youth Service (BYS)** workers say they are continuing to find innovative and creative ways to support and connect with young people.

If anyone would like to donate self-care products or arts and craft resources, contact Deb on **0409 170 062**, email dpearse@bys.org.au. Santos Byron Bay and Santos Mullum have kindly offered to be drop off points.

LIBERATION LARDER

Liberation Larder provides food to people in need in the way of meals and food parcels. They're seeking donations of fresh fruit and vegetables, pantry staples, grocery items, plastic containers for emergency takeaway meals and financial contributions. Liberation Larder accepts donations of goods **only** on Mondays and Thursdays from 7am – 1pm.

Visit the [Liberation Larder website](#) to learn more.

NORTHERN RIVERS PANTRY PROJECT

The **Northern Rivers Pantry Project** is looking to the community to donate items to create Pantry Packs and Arts and Crafts Mindfulness Packs for those in need during this challenging period.

They are seeking donations of pantry items, toiletries, household goods and art supplies.

Please visit the [Northern Rivers Pantry Project Facebook page](#) to view the complete list of donation items sought.
